(If more than one title please list hectares to relevant title)

..... Hectares	Title/Legal Description
..... Hectares	Title/Legal Description
..... Hectares	Title/Legal Description
..... Hectares	Title/Legal Description

This area will be confirmed on receipt of all dues owed to the Company

All shareholders must sign all their legal documentation - the company will not supply water until all legal documentation is completed. This includes the Memorandum of Encumbrance, guarantee the easement in favour of the company on supply races (survey and registration at the company's expense) and the monthly automatic bank payment for the operation and maintenance cost payable to the company. All applicants will be required to complete Farm Plans and an Ecology Report may also be required in line with the Company's consents. All pumping systems will be required to have company approved meters and telemetry installed to ensure compliance with Annual Allocation.

Completed Application Form to be returned to this office by 20th July.

Share Capital of _____ per share applicable to this application, must be paid in full not later than 31st July.

The Directors request that the new applicant sign this agreement as an act of good faith between yourself and the Company until such time as the official documentation is presented by the company lawyer and completed by you. Failure to complete the documentation when presented by the company lawyer could put the supply of water, to you, at risk.

I confirm I understand and agree to the above terms:
